
Jazz Ensemble

Displaying the highest level of musical expression and creativity is the Crandall Jazz Ensemble. Both Varsity and JV groups are made up of 20 students. Varsity has won 10 consecutive First Divisions at UIL and JV won their first this past year. They have also won region festivals and received the Outstanding Ensemble award at the Booker T. Washington Festival & UTA Jazz Festival.

Crandall Studio Ensembles

Taking music a step further at CHS

Crandall Studio Ensembles offer you the chance to perform music at the highest level in venues all over the Crandall and the DFW areas.

Crandall Wood & Steel

Unique to Crandall is our wood and steel band. The ensemble combines steel drums, keyboard percussion, and a rhythm section playing everything from Jazz to Pop. This group plays at numerous events including competing in the experimental ensemble category in UIL. They were featured at Stephen F. Austin State University as the opening act for their steel band ensemble and will open for the Jazz Band at UT Tyler last spring.

Crandall Cover Band

Teaching music theory as well as the technical aspects of performance is the basis of this group that plays over a dozen shows a year. They cover music from classic rock and blues to the latest hits in pop and country. The band has been the entertainment for the opening night of Cotton fest for ten years, plays tailgate parties for home football games, and does STAAR and recruitment rallies at the elementary schools. They also have Youtube videos featuring their studio recordings. This year's Auditions will be selected from the following:

“Jammin” Bob Marley

“Green River” - Creedence Clearwater Revival

“Fool in the Rain” -Led Zeppelin

“Next To You” -Police

“Tear in My Heart” - Twenty One Pilots
