Dear Middle School Band Parent,

10.24.16

Fall is here, and it is time to start our Middle School Band fundraiser. We know that you have all seen quite a few fundraisers recently. However, this one is a little different because students will be selling something that most people buy on a regular basis. This year, we are proud to continue the tradition of providing Fresh Country Meat and Fruit to our local area. Fresh Country has always provided us with a great product that our community has come to look forward to every year. All profits from the fundraiser will be used to take the students on their annual band trip and contest.

Your child should bring home two separate brochures, one with fruit and one with meat. This year we are using the brochures for reference only, and inputting all sales using the new iFreshCountry system. You can input sales using an app on an iOS or Android device, or using the iFreshCountry web-based system. Please see the attached forms for instructions on registering for the iFreshCountry system.

The fundraiser lasts for two weeks. All orders must be submitted in iFreshCountry, and all money must be delivered to school on **Monday, November 7, 2016**.

This sale is marketed for the December holiday season. All items will be ready to distribute before we break for the holidays. Therefore, it is important that all orders are submitted, and money is turned in on time to ensure the prompt delivery of the product. Fresh Country will be delivering items between November 28 and December 9. They will be giving us a more exact time after the orders are received. We will be able to send another letter home when we receive that information. We will also send out a text/email through our Remind account. Please refer to the Crandall Band website on how to sign up for electronic reminders from band class. The process is simple, and texts are very convenient.

Many of the items arrive frozen, and will need to stay frozen until they are delivered. It is imperative that someone is available to pick up the items on the day they arrive.

The profit from each item sold by a student will count towards that student's trip costs. Students will be responsible for meeting the complete cost of their trip (trips are in the spring and summer months). If the profit from their sales covers the entire cost of the trip, no other payments will be necessary. If the profit does not cover the entire cost, cash payments can be made in the spring to cover the remaining balance. Money earned in excess of a student's trip costs will be used in the general fund to benefit all students. Our goal is that each student will sell 10 or more items.

In addition to raising money for future band trips, your child also has the opportunity to place his/her name in a drawing for a great entertainment package. Please see the attached flier for more information. The drawing will be held at the Winter Arts Festival on Tuesday, December 13.

Thank you for your continued support,

Greg Hamilton

# Sell 5 products for a chance to win an entertainment package including a 32" TV & Apple TV

Qualifying students will be entered into a drawing for a 32 GB Apple TV and a 32" TV. Every student that sells 5 items will earn one ticket for the drawing. Additional entry tickets will be earned in increments of 5 items.

<u>Items Sold</u>	<u>Total Tickets Earned for Drawing</u>
5 items sold =	1 ticket
10 items sold =	2 tickets
15 items sold =	3 tickets
20 items sold =	4 tickets
25 items sold =	5 tickets

The drawing will be held at the Winter Arts Festival on Tuesday, December 13.
