CRANDALL HIGH SCHOOL BAND TRIP  
MEMPHIS AND NASHVILLE, TENNESSEE  
MAY 25 - 28, 2023

## A TRIP FOCUSED ON MUSIC

The driving force behind our decision to travel to Memphis and Nashville is the ability to focus on musical experiences. Both cities possess a rich history of rock and country music, as well as other remarkable artistic and historic offerings. Of course, you'll share all of these extraordinary adventures with your friends!

The other bonus of this trip is that we were able to dramatically cut the price from our last trip. More on that later...
